Episode 13. "Stolen Secrets"

Mary battles Ida Hubert, a false friend in league with the Taggart gang, for possession of the treasure chart, and is thrown down a well, Ida escaping to join Topaz Taggart, who holds the key secret to the location of the gold cache on Mary's property.

O'Rourke escapes from the shack where he is held by Taggart's man, jumps from the roof and goes down the well, where he struggles to save Mary. They are rescued by Bud Hughs, and they all go to Laramie to get the secret of the topaz from Mary's father, in jail on a baseless charge.

Ida lures Mary to a deserted shack on a ruse, but O'Rourke and Hughs rescue her.

Buck McLeod, Taggart's gang leader, overhears Taggart's scheme to double-cross him and the other outlaws, so he plots with Ida to steal the topaz, split the loot and leave Taggart flat. He gets the stone and they drive in a car to get the treasure, followed by O'Rourke, Mary and Bud in a car which veers and falls over a precipice.
